** Pump models manufactured before April 1st, 2018 (also known as 2nd edition models)*

- 1) Spare parts, services, and repair activities for all pumps (including respective chargers) will continue to be available until *April 30th, 2024*
- 2) Service activities will be based on a “best effort” (or “Limited Support”) basis with no warranties on repairs and spare parts until *April 30th, 2025*
- 3) The range of infusion sets used with these pump models will continue to be manufactured and sold until *April 30th, 2025*

The list of infusion pumps at SKU level (i.e. Kit P/N) that will keep being supported past April 30th, 2025 are shown in appendix. Any SKU that is not listed can be assumed to be EOL as of April 30th, 2025.

We value your loyalty to our infusion solutions and would like to minimize the impact this may have on your facility; your local BD representative can help if you would like to discuss future replacement opportunities.

Thank you again for supporting the use of our systems. BD appreciates your business and looks forward to your continued partnership.

Kind regards,
